

Did you ever dream of a peaceful, unhurried visit to Rome and the Vatican, as a spiritual pilgrimage? The dream can come true. We offer a spiritual pilgrimage to the heart of the Church, with time for solitude and prayer in extraordinary places with ready access to St. Peter's Basilica and private visits to Vatican museums and the Sistine Chapel.

In Norcia, we will spend time together with our friends, the Benedictine monks of Norcia, many of whom are Americans. Father Cassian Folsom, the founder and Prior of the monastery, will share a daily reflection with us during our stay in Norcia.

“These pilgrimages are unlike any other journey I’ve ever been on. We went places I could only have dreamed of going but at a leisurely and prayerful pace. I have been on two and will go again” —Richard Corr

“Our experience really was an example of how the Holy Spirit moves in unexpected ways to bring us closer to our faith”
—Dan and Helen Lestage
