

The so-called “urgent appeal” to the citizens of Ukraine by the Church leaders on the subject of Eurointegration is a betrayal of God, the Church and the nation. These leaders openly deceive the people and the faithful. They deliberately identify the historical European values founded on Christianity with the new antichristian EU system. The EU completely destroys all moral and Christian values. It is in open rebellion against God and His laws. It establishes homosexual gender ideology and leads to satanization of Europe.

**By reason of a traitorous “appeal” and visit to Brussels, the leaders of the Church are under the most severe penalty – anathema.** The names of those who incur excommunication and curse acc. Gal 1:8-9 are as follows:

1. Filaret **Denysenko**, Primate of the Ukrainian Orthodox Church of the Kiev Patriarchate
2. Vladimir **Sabodan**, Primate of the Ukrainian Orthodox Church of the Moscow Patriarchate
3. Sviatoslav **Shevchuk**, Primate of the Ukrainian Greek Catholic Church
4. Petro **Malchuk**, Archbishop of the Roman Catholic Church
5. Michailo **Panochko**, Superintendent of the All-Ukraine Union of Christians of the Evangelical Faith Pentecostals
6. Vyacheslav **Nesteruk**, President of the Baptist Union of Ukraine
7. Vyacheslav **Horpynchuk**, Bishop of the Ukrainian Lutheran Church
8. Uland **Spahlinger**, Bishop of the German Evangelical Lutheran Church in Ukraine
9. Eustratius **Zorya**, UOC-KP
10. Rostislav **Snihiryov**, UOC-MP

This anathema is made public before God, the Church and the people of Ukraine by
